Sir:

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

The Examiner's Statement of Reasons for Allowance states, *inter alia*, "while some art (e.g. Kawazoe et al. US 6,563,687 and Yamada et al. US 6,663,015) shows the claimed invention, this art has a filing date after that of the applicants, consequently the applicable prior art fails to show or fairly suggest...." Applicant agrees that both Kawazoe et al (U.S. filing date of December 13, 2001) and Yamada et al (U.S. filing date of June 5, 2001) do not qualify as prior art with respect to the claims of the present application. It is therefore not deemed necessary to discuss these references. Applicant notes that the named assignee of both of these references is Denso Corporation, the recorded assignee of the present application.

Respectfully submitted,

NIXON & VANDERHYE P.C.
